

DRINKS MENU

COCKTAILS

Our eponymous venue celebrates the vitality of John Gotti's life, beginning as a young upstart and climbing up the ranks to be the boss in the Gambino crime family.

This inaugural menu is an exploration of the 5 burrows of NYC, as well as paying homage to Sicily, Italy. To excite the senses, amaro will be used as a binding flavour in some of the cocktails, imparting herbaceous, bitter notes.

The presentation of cocktails represents the mafia's luxurious lifestyle in their heyday, befitting of the class and sense of style they represent.

GAMBINO APERITIVO

The aperitivo is a way of life. A social ritual for the like-minded congregate and unwind over some light bodied beverages. The usually bittersweet taste profile of these drinks serve a purpose - to whet the appetite and excite the stomach for the dinner that ensues. Here is our take on a selection of aperitivo that the Gambino mafia would have imbibed on, while plotting and scheming on the hours and nights to come.

COCKTAILS

i FORGOTTI

As with the New York times headline summarising Romual Pieceyk's somewhat "transient" memory when testifying against Gotti, we present to you the whimsical creations inspired by seasonal produce from Italy - made good only for as long as we remember them. Soon to be forgotten and eventually replaced with the next season's best thing.

THE DAPPER 28

Calling our Godfather variation as the dapper to symbolise John Gotti's lavish parties, expensive suits and illegal dealings.

Monkey shoulder | Toasted chestnut and pumpkin | Fat washed | Disaronno amaretto

TEFLON DON 28

"Nothing sticks to him!" Smooth like John Gotti, this is a velvety milk clarified rendition of a negroni.

Porcini mushroom | Poli marconi 42 gin | Select aperitivo | Mancino rosso | Bitters | Clarified

LA FAMIGLIA 28

A truffle variation on the White Negroni for those that we honour and consider family.
