Our eponymous venue celebrates the vitality of John Gotti's life, beginning as a young upstart and climbing up the ranks to be the boss in the Gambino family. This menu is an exploration of the 5 boroughs of NYC, as well as paying homage to Sicily, Italy. To excite the senses, Amaro will be used as a binding flavour in some of the cocktails, imparting herbaceous, bitter notes.

The presentation of cocktails represents the Gotti's luxurious lifestyle in their heyday, befitting of the class and sense of style they represent.
