BEHIND THE VELVET ROPE

Welcome to Gotti Italiano, where old-school American swagger meets the seductive shimmer of Hollywood's golden age. Think velvet ropes, camera flashes, and whispered names that echo through the halls of cocktail royalty.

This isn't just a drinks list – it's a cast of characters, each cocktail crafted like a scene-stealer on the silver screen. Some are bold and brooding, others light and flirtatious. But every single one has a backstory – a wink to a film, a nod to a legend, or a taste of something unforgettable.

From reimagined classics to original showstoppers, each glass is designed to slip you into a different universe – where every sip is a close-up, and you're always center stage.
Lights, Camera, Sip.
